

Emmanuel

is YOUR Church

We greatly appreciate you being
part of our Church family

How you can help us continue to be a beacon of
light and hope in our community in our own generation and
how in thanksgiving we give back to God, the source and
origin of all life and love, all that is already God's.

- Did you know that, despite some investments of our own, we have to raise ALL of the running costs of our lovely church locally from you, our members? There is no external subsidy. A significant proportion of our investments have now been spent on our Church building project and are no longer there to cushion us.

Our costs

To run Emmanuel Church this year it will cost
£104,000, or £2,000 per week

The Diocesan Common Fund is £72,800

This is our greatest expense which pays for the Parish Priest's stipend (£25,600), pension, national insurance, upkeep of the Vicarage, the training of future clergy, and so much else in the diocese of London.

This year we will contribute £72,800. This is still £5,500 less than the £78,300 cost of a parish with a full-time priest. We want to be paying our way, to secure the continued future of our parish

Other costs of £31,200 *

Maintenance costs & utilities £17,000

Music and services £7,600

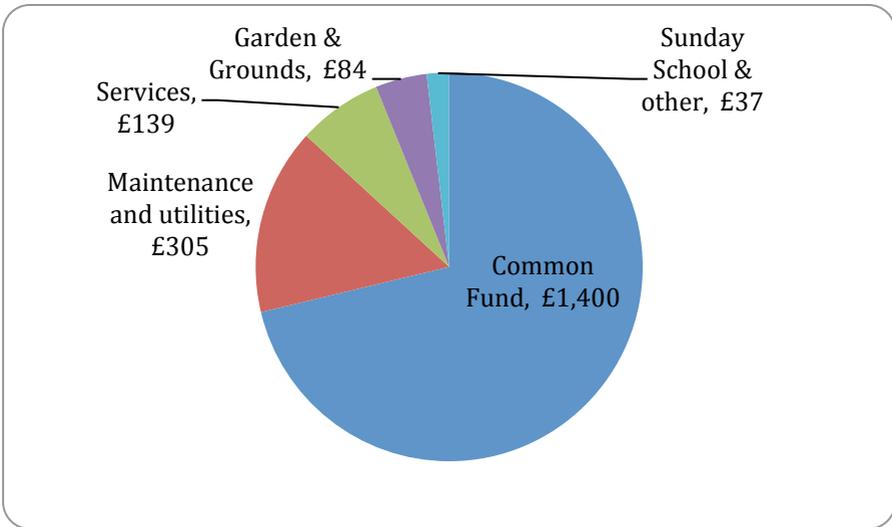

Garden and Grounds £4,600

Other expenditure e.g. Sunday School & Donations £2,000

* rounded to the nearest whole figure

Finally, we have spent over £800,000 renovating our beautiful Victorian building

Ways in which you can help your Church

A Standing Order

The most useful way you can help us is by setting up a monthly standing order with a Gift Aid declaration. That way you don't have to worry in the rush of a Sunday morning in setting

out for church with no money and your church regularly and gratefully benefits from your generous support. You can do this either by signing the enclosed proforma or directly through your own electronic banking and by giving us your Gift Aid declaration separately.

By signing a one-off gift aid declaration we can claim the tax back on ANY gift you make to Emmanuel Church at no extra cost to yourself.

I am a UK taxpayer intending tax to be reclaimed on the enclosed donation made under the Gift Aid scheme.

If you fill in a yellow envelope each week we can claim 25p in every £1 donated back in tax at no extra cost to yourself. We cannot claim on amounts of less than £1 in an envelope so a standing order remains the best way to give.

Please note that all giving to your church is properly and entirely confidential to our planned giving officer and has no bearing on the allocation of school places

God is the source and origin of all life and love and it is to God that, in love and thanksgiving, we give back to God all that is already his.

Thank you

for all your continued love and support.
